1. Who can see what I'm coming into, into me, my all/all'ship that containeth me not broadly but entirely; depth containment not but beyond it; depth and breadth not accurate descriptives of my meship that I now contain-not but distribute not to my all'd ones, but let them allow themselves entry, not; but surrender into it/me/it all; all that there is, being me-all. I love you.

2. See me/what I'm saying/what I've said and enter me not upon false pretenses nor demised intent, enter me upon my all desire not, but yours, having died to thought and quarks of not me. I love you. This is the now-me moment. The now me, is. This, can you see yourself in/being? I love you.

3. Who can write like me, see me, see like me not but seeing me become me?
4. Who can eat/ingest my words that now life contain past life-thought to life-real, past beyond life imagined/imaginable? I love you. Who can? You can, my all who want me this much, demising no one but respecting all, bowing/loving and deferring not to all but who now I show you.

5. You lead now in sorrow not but abundance-glow of only/just, me. I love/thank you.

6. My all yours, yours mine, we each other's are and all ours are each other's; and each other not; we are one/one and the same, not; yea one being one that one/each other is. I love you. Maketh sense not to rational logic but who careth for my soul, not; my being?

7. Am I my brother's keeper, not; lover. Am I my lover's brother? Am I my brother's lover? Do I love the/my brethren, my who God gave me around me, and attached not but influencing each other, die for them? Yea giving my our blood and word solidified not but that which does so, intervening not in the affairs of men, but angels who men are. I love you.

8. Giving my life/blood yea is there anything I haven't/don't given/give in love personified displayed and laid out before you all? For the taking, not; but the surrendering into? I love you. No/nay, it is all there before you, laid out on platters of joy/decision aforehand to reject or enter me/all. I love you.

9. This is the moment time hour and day one not; who can see day one beginning?

10. What meaneth this oh mom, not; but one succored by another that now decides must again what meaneth this/these things. Cataclysmic are/being. I love you all.

11. Hangeth onto coattails of another not; must you decide/recede. All decide. All honor the themselves or the son. The son is them. Honor giving or taking; and who upside down on your throne is? Folded over, feet touching toes not but vice versa/inverted. I love you all.

12. What now seeth me as me determines me. Watch out/me. Into me now many cankerworms fly, not; impervious. Thou art one/one'd and impervious to non-thought, thought, and all not-me. I love you. Grown and growing, and young in the faith, not; surrender, leading all are/being. I love you all.

13. I love you now. I love you all/being you. Letting me be me I love you more. Is that possible? I love you more letting me be me that me now affirms, affies notwithstanding all, I lovest thou my Ted'est/surrender'est; you thou oh great ones now seeing me as me and letting me be me coming into me to be/receive my all that now I am/have given so willingly and laid out before/for you all; to receive/become me. I love you. Amen.

14. All things in thine hand, not; mine. All. Trust me. My timing, essence, glory unabated not, not; thou all my hast. I love you all. Amen.

15. Dad not; lover one, essence one, mother, father, lover, bride.
16. Dad above in throughout and being all; not another, one.
17. I/we are one. Me.

18. Dad's dad, not; daddio, not; yea yes to chosen few, mine.

19. I love you all.

Me.
Amen.
Me.
